Executive Search

Coaching Executivo

Para poder crescer, é preciso estar sempre preparado.

A Dasein Executive Search proporciona no Coaching Executivo a **oportunidade para o pleno desenvolvimento da liderança**, equipando os profissionais com instrumentos essenciais para que eles possam responder de forma mais assertiva às expectativas quanto à gestão de adversidades, melhoria da produtividade e formação de sucessores.

Todo o trabalho é **desenvolvido por consultores com grande experiência e qualificação**, sempre conciliando os objetivos da empresa e dos executivos, para que eles atinjam o seu melhor desempenho, seja na condição atual ou preparando-os para posições de complexidade superior.

Pesquisas comprovam que o retorno desse tipo de investimento é muito rápido e mensurável, sendo considerado, no mínimo, sete vezes mais do que o valor investido.

EXECUTIVE COACHING

To grow, we must always be prepared.

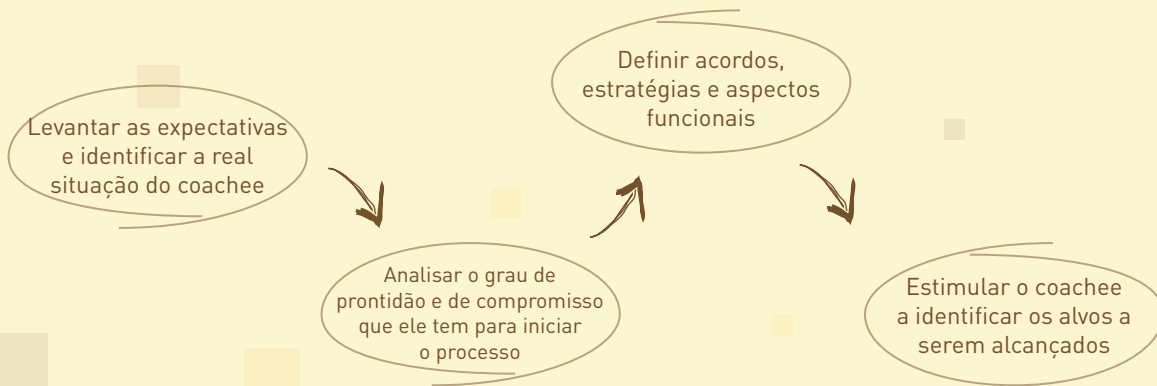

Executive Coaching at Dasein Executive Search provides the opportunity for full leadership development, equipping professionals with the essential tools needed to respond in a more effective way to the expectations of adversities, the improvement of productivity and the training of successors.

All work is carried out by consultants with extensive experience and expertise, always balancing the goals of the company and executives, so they can achieve their best performance in their current position or prepare them for positions of higher complexity.

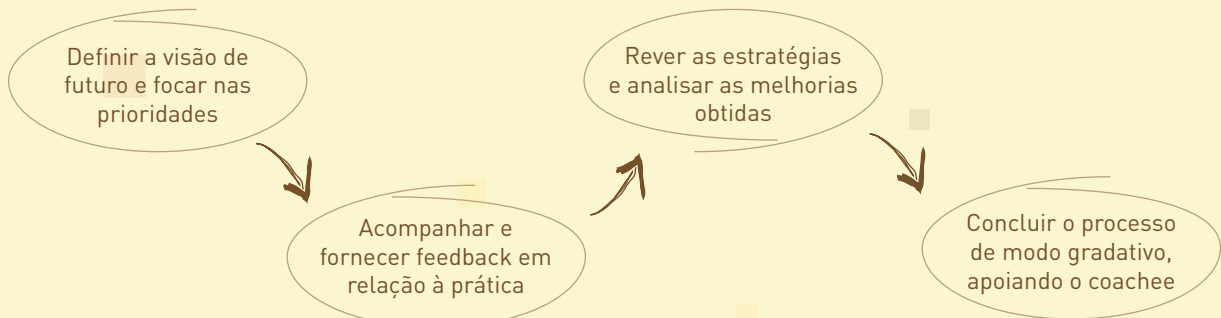

Research proves that the return on this kind of investment is very fast and measurable, being considered at least seven times the amount invested.

METODOLOGIA

1ª Fase

2ª Fase

METODOLOGY

1st PHASE

Raise expectations and identify the real situation of the coachee

Analyze the level of readiness and commitment to initiate the process

Define agreements, strategies and functional aspects

Stimulate the coachee to identify the targets to be achieved

2nd PHASE

Define the vision of the future and focus on the priorities

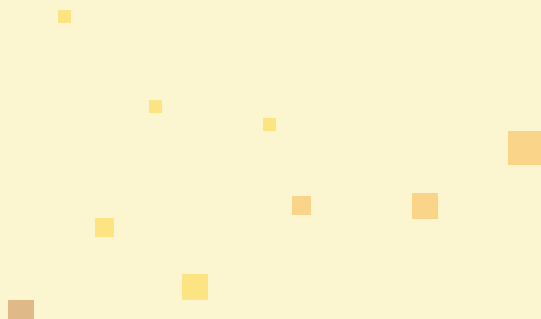

Monitor and provide feedback in relation to practice

Review the strategies and analyze the improvements obtained

Conclude the process gradually, supporting the coachee
